Welcome!

We are pleased to invite you to LUGI Judo Events 2013.

Never ending story...

LUGI Judo Events is organized for the 35th time and it continues to grow and become more popular every year. The arrangement is unique because you can participate in so many different judo activities during the same weekend. One-Stop-Judo-Shop!

Approximately one thousand people participate each year in the event. Participants come from all over Europe. Sometimes we even get visitors from New Zealand, Australia and the USA.

LUGI Judo Camp

As usual we are inviting a world class team of well-known coaches. You will be instructed by skilled instructors from several different countries. Do not miss this very special opportunity!

Visiting club coaches and leaders

We encourage all club instructors and leaders to take an active part in the activities on the mat during LUGI Judo Camp. This will give you a good opportunity to study and learn new judo techniques, moreover new ways to teach judo. It is a very superior method for bringing home "new stuff" to the club and you get a better value for your money.

Extra Events this year

This year we will have two additional events. A course for elite coaches, which is open to all nationalities, and a course for Swedish judges.

More information will be published soon.

Eurovision Song Contest in Malmö!

Since 2008, the Eurovision Song Contest consists of three live shows, aired prime-time to millions of homes across Europe. During two Semi-Finals, viewers and juries across Europe determine which countries will be represented in the Final.

- First Semi-Final. Tuesday 14 May
- Second Semi-Final. Thursday 16 May
- The Grand Final. Saturday, 18 May

This means that there will be great shortage of hotel rooms in the region Lund and Malmö. A good advice is that you send in your registration as soon as possible. Ideally now!
